Travellers entering Canada must follow the rules set out by the Emergency Orders under the Quarantine Act to help reduce the spread of COVID-19 and its variants. Failure to comply with any requirements or providing false information may result in fines, penalties or imprisonment.

**Before Departure and in Transit**

**Plan in advance:**

- Get informed. [Canada.ca/coronavirus](http://Canada.ca/coronavirus)
- Plan for your quarantine.
- Book your hotel for a 3-night stay upon arrival.
- Get a COVID-19 molecular test 72 hours before your scheduled flight.
- Wear a mask.
- If symptoms develop, tell your flight attendant immediately.

**Upon Arrival to Canada**

- Use ArriveCAN to enter your information before departure.
- Use ArriveCAN to enter your information.
- Answer eligibility and health screening questions including quarantine plans.
- If you have symptoms or an unsuitable quarantine plan, your stay and arrival test will be at a designated quarantine facility.
- Take a COVID-19 molecular test.
- Collect a test kit for use later during your quarantine.
- Provide required information and documents.
- Answer eligibility and health screening questions including quarantine plans.
- If negative:
  - Relocate to a designated quarantine facility or other suitable place of quarantine.
  - Complete your test kit as instructed.
  - Use ArriveCAN or call 1-833-641-0343 to check-in the day after you enter Canada and to report symptoms daily.

**Your quarantine**

- Go to your pre-booked hotel to await results of your arrival test.
- If negative:
  - Continue on to your place of quarantine.
  - Relocate to a designated quarantine facility or other suitable place of quarantine. Follow instructions as provided.
- If positive:
  - You will be contacted by Government of Canada and provincial/territorial officials.

**Testing on arrival and during quarantine effective 2021-02-21 at 11:59 p.m. ET.**
