

What is the procedure to be followed with regard to a hotel stay in the Principality?

Regardless of nationality, anyone aged 11 or over, who wishes to enter the Principality must be able to present all the documents required for their **zone of origin (green zone, orange zone or red zone)** on arrival.

Anyone from a foreign country that is classified in the **green zone**, must present:

- Either a negative result of a PCR or antigen test dated within the last 48 hours
- Or a full vaccination* :
 - *For the "COVID-19 Janssen Vaccine," 28 days after the administration of one dose
 - *For other vaccines, 14 days after the 2nd dose, or a single dose for those who have had COVID-19
- Or a certificate showing proof of recovery from COVID-19: a positive PCR test taken more than 15 days ago and within the last 6 months

Anyone from a foreign country that is classified in the **orange zone**, must present a negative result of a PCR or antigen test dated within the last 48 hours and one of the following two documents:

- A full vaccination
- A certificate showing proof of recovery from COVID-19: a positive PCR test taken more than 15 days ago and within the last 6 months

NB: if a person arriving from an **orange zone** cannot show proof of a PCR test, and a full vaccination or a certificate showing proof of recovery from COVID-19, they must follow the entry procedures applicable to persons arriving from a red zone.

Anyone from a foreign country that is classified in the **red zone**, must present the following documents:

- Any relevant document proving that the trip is for a compelling reason (personal or family reasons, emergency health reasons or professional reasons that cannot be postponed)
- A negative result of a PCR or antigen test dated within the last 48 hours

In addition, persons arriving from a **red zone** undertake to:

- Either isolate themselves for 7 days on arrival and carry out a new PCR test at the end of their isolation period
- Or present the negative result of two new PCR tests, the first carried out within 24 hours of their arrival and the second carried out 5 to 7 days later

Procedure to be followed by receptionists:

- When someone arrives at a hotel, the receptionist ensures that the person is able to present all the required documents according to the zone from which they are coming (**green zone, orange zone, red zone**)
- If the person is not able to present the requested documents, access to the hotel will be refused
- In the case of a person who has been ill while travelling, or is currently ill: ask them to self-isolate in their room and contact a local doctor. If the person refuses, call the COVID-19 Call Centre (from 8.00 am to 8.00

pm 7 days a week) on 92.05.55.00 or the Fire and Emergency Service on 18 or 112 outside these hours

- If the person has been ill within the last 14 days, and is not able to present the required documents relating to their area of origin, they will be denied access to the hotel

In the event of a positive PCR test, quarantine will be imposed by the Director of Health Affairs, which may not exceed 10 days (the costs incurred by this quarantine will be borne by the person concerned).

In the event that symptoms develop, individuals should immediately contact the COVID-19 Call Centre on 92.05.55.00 (from 8.00 am to 8.00 pm 7 days a week) or the 18 or 112 outside these hours.

ANNEXE

**ATTESTATION SUR L'HONNEUR
POUR LA PRÉVENTION DE LA PROPAGATION DE LA MALADIE COVID-19**

Avez-vous été malade (toux, maux de gorge, fièvre, maux de tête, perte du goût ou de l'odorat) dans les 10 derniers jours ?	<input type="checkbox"/> Oui
	<input type="checkbox"/> Non
